

INTRODUCTION

The 2024 *Community Information Directory: A Directory of Resources in the Junction City Area* is a product of the Reference Department of the Dorothy Bramlage Public Library. In publication since 2007, the directory provides basic contact and description information for more than three hundred and fifty local and regional agencies, organizations, and services.

Copies of the printed directory are free and available at the library for as long as supplies last. A PDF version is also attached to the library web page at www.jclib.org. To add a service or organization to the directory or to update information for an existing entry, please contact the Reference Staff at the Dorothy Bramlage Public Library, 785-238-4311 or reference@jclib.org. The web site edition is updated throughout the year.

Thank you to everyone who participated in the creation of the directory, including all who provided information for the content and the staff who compiled it. We at the library hope you find it a convenient and useful community information resource. Your suggestions are always welcome.

Meetings: Second Monday of each month at 6:30 p.m. at the Post House, 4th and Franklin.

Description: The American Legion was chartered and incorporated by Congress in 1919 as a patriotic veterans' organization devoted to mutual helpfulness. It is the nation's largest wartime veteran's service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow service members and veterans. The American Legion is a nonpartisan, not-for-profit organization with great political influence perpetuated by its grassroots involvement in the legislation process from local districts to Capitol Hill. Legionnaires' sense of obligation to community, state, and nation drives an honest advocacy for veterans in Washington. The Legion stands behind the issues most important to the nation's veteran's community, backed by resolutions passed by volunteer leadership. Our success depends entirely on active membership, participation and volunteerism. The organization belongs to the people it serves and the communities in which it thrives.

Eligibility: The veteran must be experiencing homelessness and be eligible for VA health care. Veterans who meet the federal definition for being chronically homeless, will have a preference. HUD-VASH is a low-income housing program so the participant must have income below the established HUD poverty threshold for the desired location county. It is determined that the veteran requires and would benefit from Case Management. Veterans required to register on any Lifetime Sex Offender Registry, or who exceed the established income threshold are **NOT ELIGIBLE** for the program.

Fees: Veterans are responsible to pay a portion of the monthly rent directly to the landlord. This is equal to roughly 30-40% of their gross monthly income with a minimum of \$50 per month. The housing authority subsidizes the remaining portion of the rent. Security Deposits and application fees, along with any other up-front fees, are the responsibility of the veteran however some community resources are often available to assist with these expenses.

Hours: Monday - Friday 8:00 a.m. - 4:30 p.m.

Description: The HUD-VASH Program was originally started as a nationwide program in 1992. The program is a partnership between the Department of Housing and Urban Development (HUD) and the Department of Veterans Affairs (VA) to provide subsidized housing vouchers for eligible, homeless veterans. HUD-VASH is designed to help veterans who are living with a disability, mental illness, addiction, or other co-occurring disorders, and the families of these veterans to locate and maintain stable and permanent housing. HUD-VASH also provides supportive services to the veterans to prevent them from returning to homelessness.
