

Why does the Library need a Friends group?

Everybody needs a friend including public libraries who rely on their Friends groups to:

- ❖ Act as Library Ambassadors in their communities
- ❖ Serve as library advocates before the governing bodies that pull the purse strings and pass the laws that affect libraries and library services
- ❖ Extend the services the library provides through their fundraising and volunteer efforts

Why do I need to be a Library Friend?

With your Friends membership you will gain:

- ❖ The opportunity to participate beyond borrowing materials and attending programs
- ❖ The opportunity to have a greater voice in the programs, collections and services the library provides
- ❖ The opportunity to meet and get to know other readers and library supporters
- ❖ The opportunity to take advantage of special member benefits, such as receipt of the Friends' newsletter and participation in the annual meeting.
