

INTRODUCTION

The *Community Information Directory: A Directory of Resources in the Junction City Area* is a product of the Reference Department of the Dorothy Bramlage Public Library. In publication since 2007, the directory provides basic contact and description information for more than three hundred local and regional agencies, organizations, and services.

Copies of the printed directory are free and available at the library for as long as supplies last. A PDF version is also attached to the library web page at www.jclib.org. To add a service or organization to the directory or to update information for an existing entry, please contact Blaine Hamilton at the Dorothy Bramlage Public Library, 785-238-4311 or blaine@jclib.org. The web site edition is updated throughout the year.

Thank you to everyone who participated in the creation of the directory, including all who provided information for the content and the staff who compiled it. We at the library hope you find it a convenient and useful community information resource. Your suggestions are always welcome.

The American Legion is a nonpartisan, not-for-profit organization with great political influence perpetuated by its grassroots involvement in the legislation process from local districts to Capitol Hill. Legionnaires' sense of obligation to community, state and nation drives an honest advocacy for veterans in Washington. The Legion stands behind the issues most important to the nation's veteran's community, backed by resolutions passed by volunteer leadership. Our success depends entirely on active membership, participation and volunteerism. The organization belongs to the people it serves and the communities in which it thrives.
